

Convention on
Biological Diversity

Mainstreaming Biodiversity

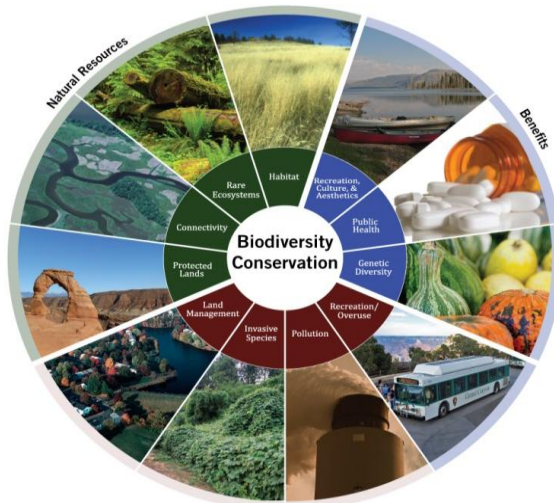

Convention on
Biological Diversity

Aspects of Mainstreaming at the CBD

❖ **Raising awareness** of the value of biodiversity (for governments, businesses, cities, UN agencies, key partners and other actors)

❖ **Building evidence-base** for biodiversity benefits (economic, ecosystem services, resilience, lower business risk, Indigenous Peoples and Local Communities, health)

Convention on
Biological Diversity

Aspects of Mainstreaming at the CBD

- ❖ **Engaging** in key international processes and strategic partnerships (Sustainable Development Goals, Climate, Disaster Risk Reduction)

- ❖ **Supporting Parties** in national-level actions

Mobilizing resources for mainstreaming actions

Convention on
Biological Diversity

COP 13- Mainstreaming

The thirteenth Conference of the Parties adopted decision XIII/3 on the mainstreaming of biodiversity into:

- Agriculture
- Forests
- Fisheries
- Tourism
- International processes
- Cross-sectoral mainstreaming (e.g. development planning)
- Engagement of Key actors to perverse incentives (Business, subnational and local governments, scientific community)

Convention on
Biological Diversity

COP 14 - Mainstreaming

COP 14 will consider biodiversity mainstreaming in the following sectors:

❖ Energy and Mining

❖ Infrastructure

❖ Manufacturing and Processing Industry

❖ Health
