

Government Dialogue on Natural Capital

27 November 2017 Edinburgh

Global Partnership for Business and Biodiversity
Paris, 24 November 2017

Martin Lok

Program Manager Natural Capital

Netherlands Ministry of Agriculture, Nature and Food Quality

Creating an enabling environment

- Good and strong institutions
- Supportive legal and policy frameworks
- Capacity and expertise
- Dialogue and participation of relevant stakeholders

Government Dialogue

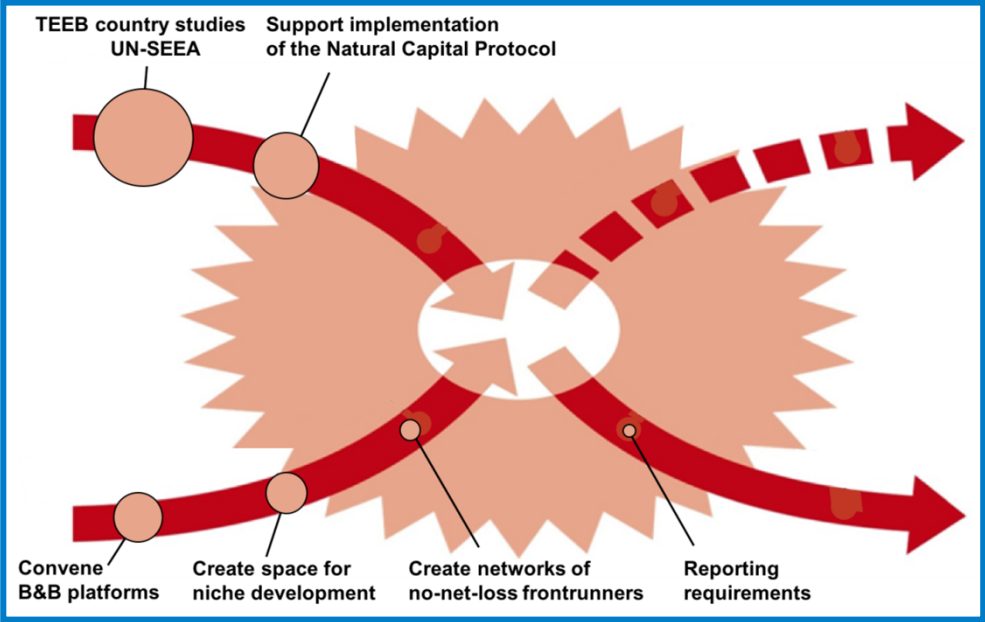

@World Forum on Natural Capital (Edinburgh 27-28 Nov 2017)

- Provide a platform
- Share experiences
- Explore opportunities for collaboration

Current focus of government engagement

A policy menu for government action

Transform ('Top down')	Envision and adapt

Build ('bottom up')	Phase out

The ambition 1: scaling-up through concrete action & shared learning

Providing information

Showing action

Sharing best practices & tools

Moving together

Building bridges together

Creating a common understanding

The ambition 2: collaborate to the future
